CRHA Executive Director, Brenda G. Willis received Resident Advisory Board comments on the updated PHA Plan for Fiscal Year 2002 from Board members Barbara Jones and Consuela J. Phillips. Members felt good about the plan. They felt the plan addressed the housing authority's goals and objectives. They also felt that CRHA was making progress in meeting the stated goals and objectives.
Other comments were that the community in Campostella Square provided opportunities for all people because the community had houses for low-income, middle-income and high-income persons. They were pleased with the partnership and felt if one really wanted something, the opportunities are there.
Concerns were expressed about the need to revitalizing the almost vacant shopping area on the outskirts of the Campostella Square community. Members saw the need to put a good grocery store in the shopping area a high priority.
Members inquired about the status of Pleasant Park, an apartment community near Campostella Square.
The board members asked about a way to encourage students to stay in school.
The question was raised about the resident serving on the Authority's Board of Commission.

Campostella Square Shopping Area: CRHA is currently working with the City's economic development department to revitalize the center. CRHA had a survey done to assess the needs of the community. The grocery store was the top priority expressed by community members. The results of the survey were presented to Economic Development. CRHA has also made efforts to work with the owner of this private property. CRHA continues to make the revitalization of the shopping center a part of the redevelopment of Campostella Square.

Pleasant Park: Pleasant Park is a privately owned project based Section 8 community in Campostella Square. The Authority has no jurisdiction or involvement with the owners or the property. The owners have requested an opt-out of the program from HUD. CRHA has not been informed of the status on the request.

Staying in School: Resident Services seeks ways to encourage the housing community youth to stay in schools. One way will be though the Empowerment Center. The center will include information about jobs in the area and skills needed to qualify for the jobs. RAB members noticed the Empowerment Center in the Drug Grant Budget and thought it was a good idea.

Resident Member BOC: Members of the Board of Commissioners are appointed to the Board by the City of Chesapeake's elected City Council. The process for the selection of a member to the Board is the same for every applicant.

After public is notification any interested citizen may pick up an application from the Resident Services Building, the central office of the Chesapeake Redevelopment and Housing Authority, CRHA property rental offices or City Hall Offices. Resident Services and CRHA staff are available to assist interested parties with their application.

Completed applications are sent to the Chesapeake City Clerk's Office by the City's designated date. City Council members review the applications and nominate candidates. The City Clerk's office notifies each nominee.

The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
	The Chesapeake Redevelopment and Housing Authority served as the lead agency in developing the Consolidated Plan document, under the guidance and oversight of the City's Office of Intergovernmental Affairs, Youth and Family Services. As part of the annual local consultation process, CRHA convened a meeting of the Consolidated Plan Planning Partners on January 17, 2001. The Planning Partners are a diverse group of public and private agency representatives that convene at the beginning of each Five - Year Consolidated Plan and Annual Action plan development process to discuss the community's needs in the areas of assisted housing, health services, social services and non – housing community development needs. This collaborative meeting is followed up by written submissions from each participant to CRHA providing more detailed information on community resources and needs.
	Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
	The first major goal of the planning partnership in the Consolidated Plan is to provide decent, safe and sanitary housing. This goal includes the following priorities: assist homeless persons to obtain affordable housing; retain current affordable housing stock; increase the availability of permanent housing for low-income residents; and increase supportive services for persons with special needs.
	The second goal is to provide a suitable living environment. A. Admission Policy for Deconcentration

Non Discrimination

The Housing Authority will not, on account of race, color, creed, sex or national origin, deny or hinder any applicant family the opportunity to make application or lease a dwelling unit suitable to its needs in any of its developments. The selection of residents for occupancy of available units will be in conformance with all HUD guidelines and regulation and applicable Fair Housing and Equal Opportunity Requirements.
